Manage your subscribers and lists of databases easily...

The screenshot displays an email marketing dashboard for 'ABC Widgets'. The main navigation bar includes 'Overview', 'Campaigns', 'Automation', and 'Lists & Subscribers' (which is active). On the right, there are links for 'Settings and People', 'Billing', 'Help', and 'Logout'.

The 'Lists & Subscribers' section shows 'Website Subscribers' with a 'Single opt-in list' status. A green line graph shows subscriber growth from Feb 12 to Apr 13. A legend indicates a link to 'Subscribe to list activity or export subscribers'.

Summary statistics are shown in a table:

Active	Unsubscribed	Bounced	Deleted
1,111	163	116	2

A 'Search list' field is available with a search icon.

The main content is a table of subscribers with columns for 'Email Address', 'Name', and 'Subscribed'. The 'Subscribed' column includes a date and a checkbox.
